

MORE PICTURES OF THE WORK DONE AT OLD SETTLERS CEMETERY BY SCOUTS

The January, 2010 issue of the “Pearland Historical Society Newsletter” has a story and a couple of pictures of the work done at the “Old Settlers Cemetery” by Scout Troop #468. The Scouts worked more than half a day cleaning old tombstones, mulching around trees and putting in a meditation area. The clean up was an Eagle Scout project for 17 year old Wesley Burns, son of Martha and Mike Burns.
